Organizational Update – New DVP Business Unit Manager Announcement

Dear Valued Customers,

We are informing you of an organizational change within our company. Joseph Pfirrmann has recently joined AMETEK Rotron/PDT as our new DVP Business Unit Manager. With his extensive background in manufacturing, Joseph will oversee our operations to ensure we continue providing the level of quality and reliability you expect.

Our commitment to serving your needs remains our top priority. If you have any questions or need further assistance, please don't hesitate to reach out.

Best regards,

Geoff Levin

Director, Business Development

AMETEK Rotron/PDT
